89%

Say they understand more about new people, places, and cultures

92%

Say they discovered more about themselves

88%

Of travelers say they grew more confident and independent

A group of tourists is walking along a path in a rugged, volcanic landscape. The tourists are dressed in winter clothing, including jackets, scarves, and hats. In the foreground, a woman in a blue jacket and sunglasses is looking down at her hands, which are wearing white gloves. Next to her, a man in a plaid hat and a dark jacket is looking to the side. To the right, a woman in a brown parka and a black and white patterned hat is walking. The background shows steep, rocky cliffs and a path leading into the distance. The text "Travel and Safety" is overlaid in the center of the image.
